Mr. David C. Walden
 Chairman, Board of Directors
 International Student Center, Inc.
 826 Levering Avenue
 Los Angeles 24, California

Dear Mr. Walden:

Now that I have assumed my new position as Director of Central Intelligence, I feel it incumbent upon me to relinquish my membership on the Board of Directors of the International Student Center, Inc.

It is my firm belief that so long as I remain in my present official U. S. Government position, I must strictly limit my participation in outside organizations. I am sure you can appreciate my reasons for this. Therefore, much as I regret having to take this action, I submit herewith my resignation from the Board of Directors of International Student Center, Inc. and request that you remove my name from association with the organization.

With every best wish for the future success of the Center,

Sincerely,

John A. McCone
 Director
